THE ROLE OF THE SCHOOL

We believe that everybody has a right to come to school and be safe from unkindness, threats and violence.

As a school we are committed not only to dealing with bullying but to doing all that we can to prevent it happening in the first place. We seek to build self-esteem in children and to develop tolerance of others. We use curriculum time during Personal, Social, Health and Citizenship Education (PSHCE) lessons to explore issues around bullying and consider other people's points of view. Our aim is to raise awareness about bullying, our anti-bullying policy and the strategies of support we have in school. We also teach children about relationships with others.

We regard bullying as serious. We encourage children to speak to an adult in school if they are being bullied and promise that the disclosure will be taken seriously and acted on. If they are approached by a child, all adults have the responsibility to listen and pass on details to the relevant teacher and the headteacher/deputy headteacher. The teacher and/or headteacher/deputy headteacher will then investigate and follow up. They will keep all the appropriate people informed during the period of investigation and follow-up. Once the investigation has been completed the action that is required will be determined and communicated to all appropriate people.

We will make children and parents aware of the school's policy on bullying and assure them that they will be supported when bullying is reported.

Bullying will not be tolerated.

Bullying, attitude to others, and similar themes are used regularly in school assemblies.

We use Circle Time and SEALs lessons in all classes to help our children to

- Communicate need
- Understand the needs of others
- Increase in confidence
- Raise self-esteem
- Encourage the caring and nurturing side of children
- Work towards a caring, co-operative ethos
- Work towards building children's self esteem
- Discuss friendships
- Ensure adequate provision in the playground
- Reward appropriate behaviour
- Provide good role models
