Dear Parent/Carer

As we are all aware the Coronavirus outbreak is having a real impact on daily life and some level of disruption has been and will continue to be caused over the coming weeks. As a school we will strive to keep you updated on the latest developments and how that will impact our community. In response to current advice we have decided to take some precautionary measures in an attempt to safeguard and limit the spread of disease. These measures do involve the cancelling of some school events, meetings and celebrations.

Please find below a list of **cancelled** events:

- Parent consultation meetings – Thursday 19 March 2020 and Wednesday 25 March 2020
- Reception Assembly – Friday 20 March 2020
- Sharing Assembly – Friday 27 March 2020
- Easter Hat Parade – Wednesday 1 April 2020
- Chocolate Bingo Night – Thursday 2 April 2020
- Awards Assembly – Friday 3 April 2020

We are already taking sensible precautions during the school day in relation to good hygiene and we will continue to implement these measures. Below you can find the current government advice relating to this.

The importance of hygiene

Personal hygiene is the most important way we can tackle COVID-19, especially washing hands more; and the catch it, bin it, kill it strategy for those with coughs and sneezes.

How to wash your hands properly

Wash your hands more often for 20 seconds with soap and hot water. Watch this short NHS film for guidance: <https://youtu.be/bQCP7waTRWU>

As the situation is evolving we will send out updates as required and if urgent information comes through to us we will communicate that as soon as possible.

We apologise for the disruption caused and thank you for your continued support.

Yours sincerely
