Dear Parent/Carer

Currently, school is open as normal and we have not been advised of any changes.

However, in the event of a National Lockdown where schools may be asked to close, we will only remain open to children of critical workers and vulnerable children. The definition of 'Critical worker' can be found at:

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

To ensure that we are prepared for such a situation, we would like to gather information that will help us to plan for a partial opening. **Please only fill this form in if you are a critical worker.** Do you meet the criteria of "critical worker" as defined in the government guidance?

Which category of Critical Worker does your work fall into? (Please see the attached guidance)
