Dear Parent/Carer

We continue to do our very best to ensure school is a safe place for both children and staff. However, numbers of children in school are high, much higher than during the original lockdown in March and we find ourselves at capacity with critical workers and vulnerable children. The government have imposed this National Lockdown to slow transmission of the virus and for this to work we must keep children at home where possible.

If you have been granted a full time place at school but only need part time, please email the admin address to make any changes.

We understand that this is a difficult time for everyone and we will strive to support all our families throughout the school closures. Teachers can be contacted through the digital platforms between the hours of 9am and 3pm and will answer questions regarding remote learning.

Thank you for your continued support.

Yours sincerely

Mrs K.Rimmer
