11 March 2020

Dear Parent/Carer,

There is a new initiative in Tameside called 'Community Collect.' This is an offer of lateral flow device testing for families of school-aged children. The local authority are encouraging parents to carry out home testing twice weekly, 3-4 days apart. Parents and carers can order test kits at www.gov.uk/order-lateral-flow-tests

Alternatively, you can pick up kits from Darnton Road or Beeley Street between 1:30pm-7pm. These can be collected two packs at a time, each containing seven tests.

You **are not** required to report these test results to primary schools but please follow the government guidelines on reporting a Covid-19 rapid lateral flow test result.

I hope you find this information useful.

Yours sincerely,

K.Rimmer
