Review Date	Reviewed By	Amendment

Risk Ratings	Example impact (Including but not limited to)
High	Likely to happen and likely to result in the fatality of one or more individuals. Potential for a frequently occurring serious and life threatening injury
Medium	Unlikely to happen but if it did it would certainly result in at least minor illness, injury or equipment damage. Could occasionally result in a serious injury, illness or equipment damage.

RISK ASSESSMENT

	Although rarely, could result in death or serious and life threatening injuries.
Low	Unlikely to occur but if it does it is likely to result in minor illness, injury or equipment damage and could, but is unlikely to, result in a significant injury, illness or equipment damage with over 3 days absence
