

Evidencing British Values

As a school, we value and celebrate the diverse heritages of everybody at St Anne's. Alongside this, we value and celebrate being part of Britain. In general terms, this means that we celebrate traditions and customs in the course of the year; for example, Harvest Festival during the Autumn term and trips out or visitors to school at Christmas. We also value and celebrate national focusses, recent examples being; Macmillan Coffee Morning, World Book Day, Chinese New Year and Emotional Health and Wellbeing week, with many more opportunities planned in throughout the year to collaborate with the wider community and world e.g. Children In Need

Further to this, children learn about being part of Britain from different perspectives. Two specific examples of when we teach about being part of Britain are:

Geographically: Our rivers and coasts topics ensure that children have a better understanding of what Britain is, learning more about:

- its coasts, rivers and mountains
- where Britain is in relation to the rest of Europe and other countries in the world

Historically: Key moments in British history are studied in the topics such as 'Magnificent Monarchs' and significant historical figures.

The table below is an indication of where we can find evidence to show that British Values are an intrinsic part of school life at St Anne's Primary School.

Value	Evidence
Democracy	<p>Mission Statement School council Children, parents and staff have many opportunities for their voices to be heard at St Anne's Primary School. Democracy is central to how we operate.</p> <p>An obvious example is our School Council. The election of the School Council members reflects our British electoral system and demonstrates democracy in action: candidates make speeches, pupils consider characteristics important for an elected representative, pupils vote in secret using ballot boxes etc. Made up of one representative from each class, the School Council meets regularly to discuss issues raised by the different classes. In the past, the School Council has hosted fundraising activities and helped to provide equipment for our school grounds as selected by the children.</p> <p>Another example of 'pupil voice' is:</p> <ul style="list-style-type: none">•children are asked to respond and reflect on the teaching and learning they receive as well as make suggestions for the School Council to consider. <p>Pupils are always listened to by adults and are taught to listen carefully and with concern to each other, respecting the right of every individual to have their opinions and voices heard. We encourage pupils to take</p>

	<p>ownership of not only their school but also of their own learning and progress. This encourages a heightened sense of both personal and social responsibility and is demonstrated on a daily basis by our pupils.</p> <p>Parents' opinions are welcomed at St Anne's Primary through methods such as questionnaires, surveys at parents evenings and opportunities to comment on whole school matters.</p>
<p>The Rule of Law</p>	<p>Mission Statement/ School aims Behaviour Policy Display of class rules in each classroom, Playground rules Big friend/Little friend Curriculum links e.g. Crime and Punishment The importance of rules and laws, whether they be those that govern our school or our country, are referred to and reinforced often, such as in assemblies and when reflecting on behaviour choices. At the start of the school year, each class discusses the school values and class routines, principles that are clearly understood by all and seen to be necessary to ensure that every class member is able to learn in a safe and ordered environment, these values are displayed in each class along with the school motto. These values play a fundamental role in our behaviour sanctions and rewards and are linked to our merit awards throughout school.</p> <p>Pupils are taught the value and reasons behind laws, that they govern and protect us, the responsibilities that this involves, and the consequences when laws are broken. These values are reinforced in different ways: Visits from authorities such as the police and fire service Cycling Proficiency lessons enable children to understand the rules of the road and the potential dangers encountered should they break those rules. During Religious Education, when rules for particular faiths are thought about During other school subjects, where there is respect and appreciation for different rules</p>
<p>Individual Liberty</p>	<p>Mission Statement/School aims Behaviour policy P.S.H.E policy Displays of children's activities Children's key roles and responsibilities Alongside rules and laws, we promote freedom of choice and the right to respectfully express views and beliefs. Through the provision of a safe, supportive environment, we provide boundaries for our pupils to make choices safely; for example:</p>

	<ul style="list-style-type: none"> •choices about how they can improve their learning •choices around the participation in extra-curricular activities <p>Our pupils are encouraged to know, understand and exercise their rights and personal freedoms and are taught how to exercise these safely. We foster discussion throughout the curriculum and specifically using the 'Picture News' resource in assemblies.</p> <p>Collective worship is used to both explore and support the school's values. By teaching the children how to manage and understand emotions they will be motivated and equipped to:</p> <p>Be effective and successful learners Make and sustain friendships Deal with and resolve conflict evenly and fairly Solve problems with others by themselves Manage strong feelings such as frustration, anger or anxiety Be able to promote calm and optimistic states that promote the achievement of goals Recover from setbacks and persist in the face of difficulties Work and play cooperatively Compete fairly and win or lose with dignity and respect for all competitors Recognise and stand up for their rights and the rights of others Understand and value the differences and commonalities between people, respecting the rights of others to have beliefs and values different to their own. To respect and value our world, and the things, both material and alive that exist within it.</p> <p>Children in Year 5 and 6 are given key roles and responsibilities such as Big friend, Coridoor monitors, library monitors etc</p> <p>Through opportunities such as our extra-curricular clubs, trips and Residential Trips, pupils are given the freedom to make safe choices. Children at St Anne's are encouraged to make choices knowing they are in a safe and supportive environment.</p>
<p>Mutual respect</p>	<p>Mission Statement/School aims Behaviour policy P.S.H.E policy Roles and Responsibilities Display of children's activities Display of positive values around school</p> <p>We have high expectations of achievement and behaviour. Children and staff are polite and kind. We believe everyone has their own special gifts and we are expected to use them.</p> <p>We listen and respect each other. We teach the children that conflict will be dealt with calmly and fairly. All members of the school family are valued equally. We celebrate each other's achievements, whether that be in or out of school through our weekly Awards Assemblies.</p> <p>Teachers plan exciting, interesting, challenging and innovative lessons where everybody is expected to do their best and respect others.</p>

	<p>When our older children are given key roles and responsibilities to work alongside younger children this helps to promote mutual respect across the age phases.</p>
<p>Tolerance for those of different faiths and beliefs</p>	<p>Mission Statement /school aims P.S.H.E policy R.E. policy Worship records Alternative faith work as part of the R.E curriculum coverage</p> <p>St Anne's Primary are proud to promote and celebrate our different backgrounds and beliefs. Tolerance, politeness and mutual respect are at the heart of our aims, ethos and R.E curriculum.</p> <p>Our ultimate goal is to create lifelong learners who go on to lead happy and successful lives. Our pupils know and understand that it is expected that respect is shown to everyone and to everything, whatever differences we may have. Children learn that their behaviour choices have an effect on their own rights and those of others. All members of the school community are encouraged to treat each other with respect.</p> <p>Specific examples of how we at St Anne's Primary enhance pupils' understanding and respect for different faiths and beliefs are:</p> <ul style="list-style-type: none"> •Through Religious Education, PSHE and other lessons where we develop awareness and appreciation of other cultures – in English through fiction and in art and music by considering cultures from other parts of the world. •Celebrating cultural differences through assemblies, themed weeks, noticeboards and displays. <p>Children are encouraged to share their own experiences when celebrating their own faith. Daily worship reflects and teaches the children tolerance for different faiths and beliefs. Activities within school support both children and adults of different or no faith, the children are taught respect and tolerance of these groups and the opinions of the groups are taken into account with all activities.</p> <p>Whilst instances contrary to our values are relatively rare, each is treated seriously in line with our policies and expectations.</p>
