

Year 4 Oracy Rules

1. Respect Everyone's Ideas and Opinions

Listen carefully, value what others say, and speak kindly.

2. Ask and Agree Together

Use shared agreement questions to make sure everyone understands and agrees.

3. Use the Right Volume

Speak clearly but not too loudly — match your voice to the activity.

4. Show You're Listening

Have nothing in your hands, use your body to face the speaker, nod, and smile to show attention.

5. Work as a Team

Take turns, share roles, and help each other during group work.
