My child is well prepared for moving into new classes	98%	
I feel that leadership and management of the school is effective	100%	

All comments from the surveys have been included in this report.

In response to the problems with the new communication system, we have been working with Arbor to ensure emails do not go into junk folders. We hope that this problem is now resolved but please do let us know if it continues.

We will work to make any improvements we can in terms of these statements and strive to make our school a positive learning environment for all children.
